**Back to the Future:  
80's Summer Music Camp Recap**

*We went back in time for our summer camp theme this year and  
introduced all of the kids to a very influential time in music: THE 80's!*

- Each summer camp was loaded with fun activities such as learning 80's dance moves and watching music videos and 80's films. All of our summer campers had the opportunity to learn 15 different 80's songs on multiple instruments. Each week we split the kids into groups to form their own bands, which they named themselves and created music posters for. Each group was able to learn how to play in a rock band as well as a steel pan ensemble, and all of them had so much fun channeling their inner super stars. Some of their favorite songs that they learned included; Beat It, Another One Bites the Dust, Don't Stop Believing, Man Eater, Final Countdown and In the Air Tonight. At the end of the week we had a pizza party and invited family to come for an 80's Open House performance put on by the kids. It was so fun and rewarding to watch them put everything they learned into practice as they rocked out!

Erin, his instructor, has said, "Shaun is extremely dedicated and shows up to each lesson with motivation and excitement. He is incredibly talented and puts a lot of effort into all of his music!" ## Charley's World Takeover!

Since opening Tampa Music School, the Maestro has had the goal to be featured on Charley's World. If you are not familiar, Charley's World is a segment on FOX 13 - Good Day Tampa Bay where Charley Belcher visits Tampa Bay area businesses and events in order to get the community involved. On June 5th the Maestro's goal was achieved! Charley and his crew arrived on Day One of our first summer camp and kicked things off with a bang! In total, TMS received almost 20 minutes of air-time, but more importantly, all of the kids and the Maestro himself had so much fun showing all that Tampa Music School has to offer our community! The best part was watching Charley learn and play the steel pans on LIVE TV. He did a great job and really seemed to capture the spirit and values of our school. We would welcome Charley back any time and are so excited about the positive response we have received from the community since our segment aired!
