Winter Recital  
December 10, 2017

**A Recital to Remember**

We have a Spring Recital every year and it never fails that we are completely blown away by the talent and progress of our students. This year was no exception! Tampa Music School is growing rapidly and the magnitude of that was evident at our recital held on May 21st at Manhattan Baptist Church. We had more student performers than we've had in recitals past and it was a true joy to watch them show off what they have worked so hard to master during their weekly lessons.

One of our favorite things about the recitals is that it gives our students something to work towards and a goal to achieve. We all know that it is not easy to get up in front of your family, friends, and strangers to perform. It is always so inspiring to watch the students harness their courage in order to face their nerves and fears. When it's all over they end up gaining a new level of confidence in themselves and it is that growth of character and self-esteem that fuels us to continue our work. Congratulations to everyone that participated! We are already looking forward to preparing you for the upcoming December recital.

## Student of the Month: Jordan H.

Jordan is one of our highest achieving guitar students. She has shown such drive and determination to learn guitar in such a short amount of time. Her instructor, Milani, says that her positive attitude and sweet nature make it so easy to work with her! Jordan recently performed in her first TMS recital and totally rocked it. We look forward to seeing even more progress from her in the future!

Congratulations to Jordan for being awarded TMS Student of the Month, we are so proud of you!

## It's Official: Our Ribbon Has Been Cut

On May 18, 2017 the South Tampa Chamber of Commerce sponsored a Ribbon Cutting for us! This event was a fun way to meet other local business professionals and officially celebrate the opening of our new and improved Tampa Music School. Not only were we able to show what sets us apart from other music schools but we had the opportunity to share the passion that we have for providing music education to our community. As we continue to grow and increase our reach in the Tampa area, we always want to remember where we started and remain active in our local South Tampa community through events such as this.

We want to extend a big **THANK YOU** the South Tampa Chamber of Commerce as well as to all of those that attended the event. The support and well wishes for our bright future never go unappreciated!

## Open House Success!

On May 12th we held our first Open House event and it was a resounding success! We truly enjoyed showing everyone our brand new facility that we have worked so hard to bring to life. Everyone that attended also received a Tampa Music School wristband and a **FREE** Kona Ice snow cone. We also held our first TMS picture day for students, a complimentary addition to our services! Our professional photographer helped every student channel their inner rockstar as they posed for promotional style photos with their instruments. Students that participated will receive a **FREE** 4x6 framed picture and have the opportunity to have their pictures featured in future Tampa Music School publications.

Don't worry if you missed out on your chance to celebrate with us the first time. We are excited to announce that we will be hosting a **BACK TO SCHOOL OPEN HOUSE** event in August! This will be an awesome time to reconnect with other TMS families, enjoy a Kona Ice on us, and get your student's picture taken. We will be sure to send out a reminder as the date nears but for now, mark your calendars and bring a friend to Tampa Music School on Saturday August 5th from 11-1pm for our Back to School Open House! We can't wait to welcome the start of a new school year with all of you! Don't forget, if you invite your friends and they become students, you receive a \$25.00 gift card to Amazon, Target or Movie Passes.
