- Our renovations are finally complete and Tampa Music School has an updated look!
- As our school continues to grow, we are happy to provide our students and their families with a new and improved location!
- Our comfortable lobby is now complete with brand new couches and a wall mounted television featuring a large selection of family friendly shows and movies.
- We welcome family members to relax and enjoy our lobby while their musician receives their lesson, or they are free to sit in with the student and teacher if they like.
- We want everyone to have the best experience possible while they are here.
- Our improvements didn't just stop at the lobby either!
- Tampa Music School is proud to announce that we have installed state-of-the-art panels that now allow our students to have a true private music lesson experience.

Each newly installed room includes a window and wireless camera viewing options. This allows for students to achieve more focus and less outside distraction.

Have you seen our updates for yourself?

We invite you to stop in on Friday, May 12th for our Open House event from 2-4pm. We will be giving away FREE Kona Ice and raffling off a Summer Camp!

Student of the Month: Lana T.

Lana has been a piano student at Tampa Music School for 8 months now and continues to show lots of enthusiasm for her lessons! She is currently a Song Bird rank on our Musical Ladder Success System. We are excited to be part of her growth as a musician and can't wait to see what she can achieve with all of her hard work.

Congratulations to Lana for earning Student of the Month for May! We are so proud of you!

New Employee Spotlight: Lindsey

Q & A with Lindsey:

Tampa Music School would like to extend a big welcome to our NEW office employee, Lindsey!

Originally from a farm-town in Ohio, Lindsey graduated from The University of Akron with a degree in Public Relations and Communications. She moved to Tampa almost 4 years ago for her husband's career move into the United States Air Force. She has been a stay-at-home mom to her 2 year old son until April 2017 when she accepted the position here at Tampa Music School.

In her free time Lindsey enjoys spending time with her family, friends, and three crazy boston terriers. She loves yoga, strong coffee, and finding new restaurants to try. When she actually has free time she likes to read a good book on the beach and can be found listening to music at almost all times.

Summer Camps are Heating up Tampa Music School

80'S RETRO MUSIC SUMMER CAMPS NOW AVAILABLE

In true Tampa Music School fashion, we have an exciting and totally different summer camp concept for our students! This year's theme is 80's Retro Music, which means students will be playing some awesome music from some of the best 80's musicians. Summer camp students will have the opportunity to play a variety of instruments including the piano, guitar, drums and steel pans. How cool is that? This will allow for them to get creative and comfortable with a variety of instruments in a fun way that doesn't feel like work. When we make learning music entertaining we find that our students are able to enjoy their experience and learn a lot at the same time! There is no previous music experience necessary for our camp, so we invite students ages 7-14 to come beat the heat and have a blast with us at Tampa Music School!

All summer camp students will receive 20 hours of hands-on music lessons from our professional teachers. They will take part in fun music games and even get to play in a rock band and steel pan band! To wrap up a rockin' good time we will also have a Friday pizza party! There is a cap of 12 students per camp, so be sure to sign up soon as spots are filling up quickly! Summer Camps are available select weeks June-August from 9-1pm and run Monday- Friday. Call us to register today at **813-837-9245** or you can visit www.tampamusicsschool.com and click Summer Music Camps.
